

Arredondo Kid Zone

October weather

We had an awesome month of September, and are excited to begin another month of Kid Zone. Now that temperatures will start to cool off just a bit, we will be doing more activities outside. Please remember to send your child to school with a water bottle everyday, as school water fountains are closed. Kids can fill up water bottles at the designated stations. We strive to keep our KZ Kids healthy and hydrated!

Mask Policy

All Kid Zone participants, parents, and employees are required to wear a mask or face covering while inside any Tempe School District facility. Please remember to send your child(ren) with their own mask. Kid Zone is committed to keeping our community safe, happy, and healthy. Masks will be provided on emergency basis only. Together, we can do our part to help stop the spread of germs.

Friendly Reminders

Kid Zone opens at 6:30am and closes promptly at 6:00pm. A late fee will be charged to those who are picked up after 6:00pm.

If your child is going to be absent from afternoon Kid Zone, please notify Kid Zone or your child's teacher so that we are aware. A \$10 finders fee will be charged for failure to notify about a child's absence.

Enrichment Session 2

This session of enrichment activities will feature Gardening Club, Everyone Engineers Club, and Soccer club. These clubs will happen on Tuesdays, Wednesdays, and Thursdays until Winter Break. Enrichment clubs are scheduled during our normal Homework Club time and are free of charge for all KZ participants. If you would like your child to do HW Club instead, please check in with Mr. Brian so we can make note.
